ABOUT US

Nandedwala Builders & Contractor Pvt. Ltd. is a Nanded-based construction company handling all types of building work — residential, commercial and finishing — under the direct supervision of our founder, **Mr. Imran**. From empty land to handover, we build your home or commercial space with branded materials and transparent costing. One point of contact, one contractor accountable for your project from the first meeting to the final handover. Plan & 3D design is available as an additional paid service.

VISION

To be Nanded's most trusted construction partner — turning every plot into a strong, beautiful, modern building, with honest pricing and quality you can check at every stage.

MISSION

- Use branded materials only — nothing unmarked goes into your build.
- Agree the final cost, advance and balance upfront, in writing — no hidden charges.
- Back every promise with 51 completed projects across Nanded.
- Supervise every stage on site, from foundation to final finish.

WE ARE COMMITTED TO STRONG CONSTRUCTION, CLEAR COSTING AND KEEPING EVERY PROMISE WE SIGN.

QUALITY YOU CAN CHECK

STRUCTURE

- 8-bar steel in columns & beams
- 11 ft floor-to-slab height
- 6-inch slab thickness
- Nanded bricks (ET)
- Regular cement, all work in reti (sand)

DOORS, WINDOWS & GRILLS

- Wooden chaukhat (door frames) throughout
- Heavy membrane doors
- Heavy plastic bathroom doors
- Jindal-brand sliding windows
- 4×4 grills & steel railing
- Granite on box windows & front chaukhat

PLUMBING & ELECTRICAL

- Branded CPVC (SWR) pipeline
- 2000-litre water tank
- Branded wiring — 2 boards per room
- Inverter connection for the whole house
- DTH & camera connection points
- Wash basin & wazu point

FINISHING

- Wall putty & Nexon colour
- 2×2 tiles, design of your choice
- Granite kitchen otta, L-type sajja
- POP ceiling sheet
- Readymade Kadappa steps
- Door bell of your choice

Charged separately: elevation, landing tower & head room, outer gilava, boundary wall and choice items — with material, quoted upfront.

WHAT WE DO

We build. We finish. At an affordable cost.

Residential Construction

Independent houses, bungalows and duplex homes built from foundation to final finish.

Commercial Construction

Shops, complexes and mixed-use buildings — like our own Imran Complex.

Affordable Cost

Quality construction with branded materials at a price that fits your budget — clear costing agreed and signed upfront.

Renovation & Finishing

Tiles, granite, POP ceiling, wiring, plumbing and painting — full interior finishing work.

Turnkey: one contractor — steel to POP to finishing.

WHERE WE WORK

Nanded and surrounding areas — based near Degloor Naka

HOW WE WORK

From empty land to your dream home.

1. Consultation & site visit

Call or WhatsApp us with your plot details and budget. We visit the site and discuss layout, budget and timeline — free.

2. Plan & 3D design (optional)

Need a plan or 3D elevation? We prepare it as an additional chargeable service. Have your own plan? Skip straight to construction.

3. Construction

Branded materials and contractor-supervised work at every stage. Final cost, advance and balance are agreed and signed upfront.

4. Handover

Final finishing, cleanup and handover — complete with surprise gifts from us for your new home.
